Dear King Members, Friends, and Family:

I understand how difficult it is to be separated from your family and friends during the holidays, so I'd like to take this opportunity to thank those of you who are maintaining vigilant social distancing. By doing so, you are protecting yourselves, your communities, and your loved ones here at King.

Since my last update yesterday (12/22), one member and two employees have tested positive for COVID-19. Two employees have recovered. Currently there are seven active positive cases of COVID-19 on campus (one member, six employees).

Please note, we will post any necessary updates for December 24-27th on www.WisVetsHomesCOVID.com only. Beginning in January 2021, we will be moving to email and text notifications, instead of mailed paper letters, as our primary way of sharing these updates. If you haven't yet added yourself to our email and phone mailing list, please do so now at www.WisVetsEmail.com. If you would like to continue to receive printed and mailed letters, please contact Barb Anderson at (715) 256-5022.

To our King members, family, and friends – I wish you happy and healthy holiday and look forward to the day we can celebrate together.

Sincerely,

Tammy Servatius, Commandant
